Yesterday, I finished my shower just in time for the water pressure to stop, I finished the breakfast dishes just before the water pressure stopped at that sink. In the evening Oksana and her daughter Rita were coming to cook an Italian soup for everyone. A few minutes before they came the water pressure returned to full pressure. I was awed at the timing and felt the presence of God!

I got up from midnight till 2:00 a.m. to finish the lesson for the ladies' class about forgiving ourselves.

It's been a quiet morning, fixed ham and eggs for breakfast, edited Scott's article for the bulletin, went over the class lessons for this afternoon and this evening, finished ironing, swept the floors, and did a couple loads of clothes.

Vitali came at 2:30 to take us to Sloviansk town about 20 min away. Anna went with us because she teaches English

at an ABC school at the church building there and asked Scott and I to come teach her classes. She had two classes, one grade school which had a dozen 4 yr. old's through 5th grade one with three students Jr. high and High school. We got back about 5:30. Scott went to one of the classes while I got ready for the ladies' class. The ladies seemed to enjoy it a lot and asked me to teach them next Fri.

We ordered Pizza for dinner and Oksana brought homemade cinnamon rolls. Anna, Oksana, Vlad, Kate, and Rita ate with us. We were so tired we went to bed at 9:00.

We ordered Pizza for
